AMENDMENT

In response to the Official Action dated December 17,
2002, please amend this application as follows:

Please amend the Application as follows:

IN THE ABSTRACT:

Please cancel the present Abstract, and substitute
therefore the enclosed Abstract, presented on a separate
sheet.

31
--In a method for transmitting user identification
data to a wireless communication device (1), user data is
stored in a user data identification module (2). Upon
initiating operation of the wireless communication device,
the user data is examined to obtain access rights of the user
of the wireless communication device. The user data is
transmitted at least partly in a wireless manner from the
